

Parks and Recreation Release Notes

Release Date September 25th 2019

- Invoice changes which include the following:
 - Payment information will now show on the bottom of the invoice which includes the payment date, payment method, payment amount and the check number.
 - The custom receipt footer text will now display on the bottom of the invoice if applicable. This text field is located under the System Administration -> Custom Text Blocks menu option.
- The link on the Navigation Bar to create a new account has been changed from “Register” to “Sign Up”.
- The date of birth field when creating a new account or adding a participant to an existing account now defaults to blank.
- Program discounts now have a date range that can be set to determine when they are applicable.
